

## **WeVideo Moving to Bigger Location in Heart of Silicon Valley**

*Start-up seeks top design, engineering, and business talent*

**Sunnyvale, CA – June 11, 2012** – [WeVideo \(www.WeVideo.com\)](http://www.WeVideo.com), creators of the world’s most powerful and easy-to-use online video editing platform, today announced that it is moving to a new, larger headquarters in the heart of Silicon Valley. The new Palo Alto location brings WeVideo closer to several of its leading technology partners. It was also chosen to attract top design, engineering, and business talent to the rapidly expanding startup.

“Palo Alto is the perfect place to work with several of our partners and to attract the top business and technical talent we need,” said Jostein Svendsen, WeVideo co-founder and CEO. “We are in expansion mode, and the heart of Silicon Valley is the place to be.”

The latest move follows a string of WeVideo successes since its debut, including its YouTube partnership, Google Drive integration, employment by the Startup Idol final and Disney Avengers Remix, and content partnerships..

### **Seeking top talent for its online video creation business**

WeVideo is seeking top design, engineering, and business talent to staff up its new HQ located at 444 Ramona Street, Palo Alto, CA 94301. If you’d like to help build the world’s leading platform for online video creation, please check out our jobs page at <http://www.wevideo.com/about/jobs>.
